Indoor farming market-Growth Rate By Region

Indoor Farms are growing at a

24% CAGR

USD1.2BN

opportunity in vertical farms in Asia Pacific

Savings Potential Through Increased Human Productivity

Utilities

$3

Rent

$30

Human Capital

$300

Only **51%** of Indoor Farms Are Profitable (Agrilyst, 2019)

Too Many Manual Systems = Labor Intensive

Undesired Interactions Between Building Conditions and Crops

(External Building Conditions)

Temperature

(Vertical Racks Ecosystem)

Soil Moisture **Lighting** **Nutrients**

Humidity

Building Conditions

- Inconsistent Environment
- Habitat for Mold and Pest
- Affect level of photosynthesis

Current Solutions are Lacking

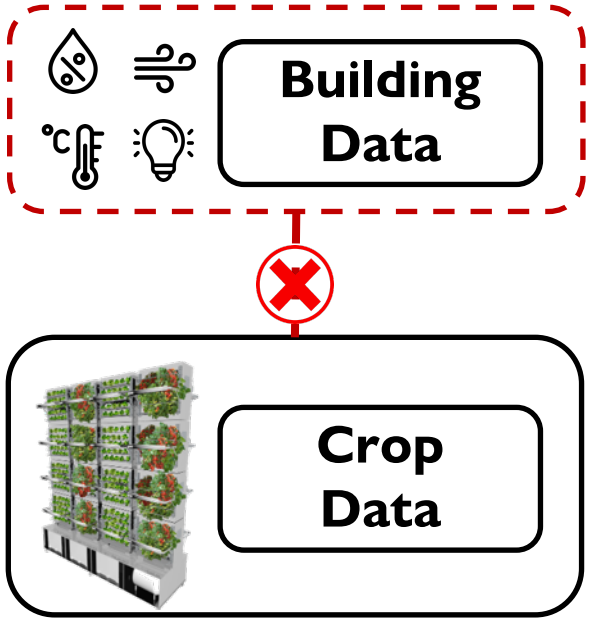

Farm Systems do not collect building data

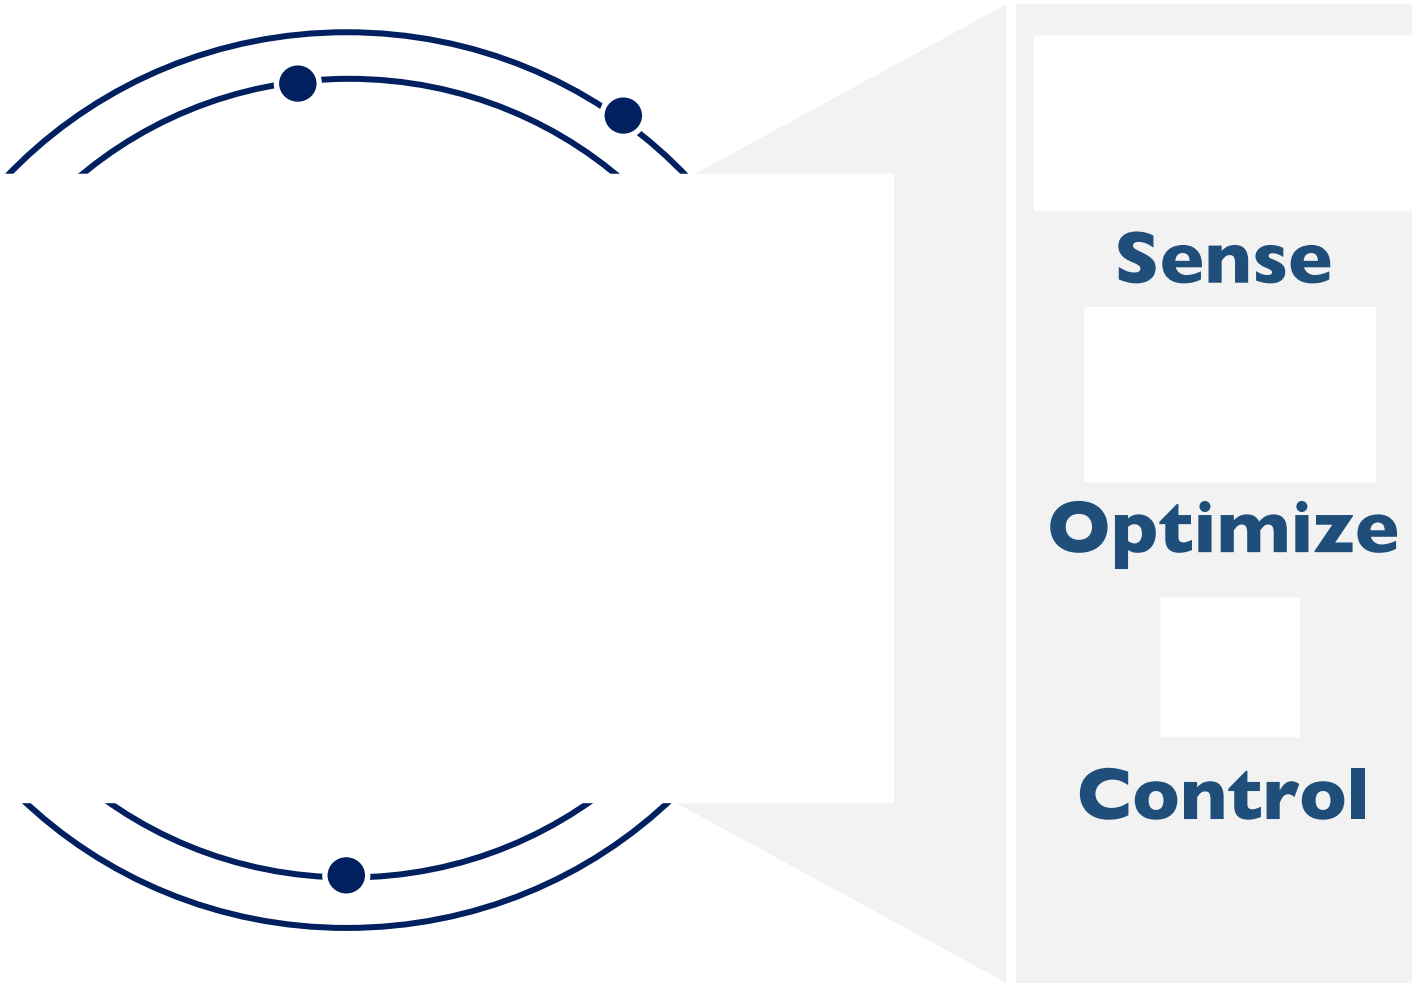

Container farms not built for scale

Building solutions are too general

Building Management Solution for Indoor Farms

Singapore patent pending: 10202105064T

Pilot Project with an Indoor Farm in Singapore

Pilot Test	Findings	Improvements
	CO2 at 25% of the optimal	• Increased photosynthesis by up to 75% • Earlier flowering • Higher fruit yields by up to 30%
	Temp at 70% of the optimal	• Increased leaf and petiole growth • Greater sucrose • More biomass at the roots

Ambient proprietary method provides equipment setpoints to achieve optimal targets

Time	Thermostat 1	Thermostat 2	Fan 1	Fan 2
May 28 – 2 pm	14 C	12 C	2 ACH	5 ACH

+24%

energy savings,
man-hour savings,
lower crop loss

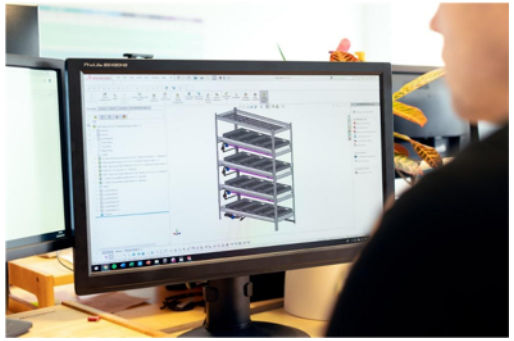

Break-even in

6 to 12 months

B2B Subscription Model

Monthly Subscription

Traction

Working with high-value crop farms

Approved by industry leaders in building technology

Ambient's Climate As A Service solution can be seamlessly deployed in other industries that require a closely controlled indoor environment

Team

Product & Engineering

- **MComp, Computer Science**
  National University of Singapore
- **BASc, Civil Engineering, Sustainable Energy**
  University of Toronto
- **Serial Entrepreneur**
  5 years experience in cleantech and deep tech

Operations

- **BBM, Finance**
  Singapore Management University
- **Strategy and Fundraising**
  3 years experience across e-commerce, gaming and payments

Design & Marketing

- **Diploma, Design and Communications**
  Temasek Polytechnic
- **Graphic and UX Design**
  3 years experience across graphic design and content creation for various brands
