NUS Enterprise
Master of Science in Venture Creation (MSVC)

The MSVC programme is a one-year NUS graduate programme which targets **aspiring entrepreneurs** who want to launch new business ventures. Students under this programme **must** complete an **experiential internship** on top of core and elective modules, as well as a final acceleration programme.

About the Experiential Internship

Objectives

To provide students:

- Exposure to the start-up environment and its challenges
- Experience in working and learning alongside co-founders of innovative start-ups
- Opportunity to forge a network of friends and future partners

Student background

- Interdisciplinary majors
- Fresh graduates and working professionals
- Local and foreign nationalities

Work eligibility

As internship is a compulsory component of this programme, companies are not required to notify MOM before students start work. Kindly refer to the MOM website here:
https://www.mom.gov.sg/passes-and-permits/work-pass-exemption-for-foreign-students

Student commitment

Period of internship	**– (20 weeks)**
Working hours	**4 days per week** (when academic semester commences on) Students must attend: ▪ A core module for 3 hours per week (day and time TBC) on campus AND ▪ An elective module for 3 hours per week on campus

Requirements from GRIP project teams

Stipend	**NUS will cover internship stipend for qualifying GRIP project teams**. To qualify for this stipend arrangement, project teams: ▪ **MUST NOT have an incorporated company**. Project teams that have incorporated their company are not qualified for internship stipend cover by NUS ▪ **MUST** ensure internship objectives are met
Time off	Allocate up to 8 hours per week for students to read NUS modules (Note: Students are entitled to request time off up to 8 hours per week to read NUS modules)
Number of leave days	Recommended 5 days
Job scope	▪ Provide diverse roles for students to learn and experience different aspects and challenges in the company ▪ Provide close mentorship to students
Assessment	Complete a **final student evaluation form** for each student towards the end of the internship
