1. SLINGSHOT Corporate Challenge Overview

About SLINGSHOT Corporate Challenge

Enterprise Singapore

- Corporate Challenge provides a platform for Corporates to share their problem statements and for startups with innovative solutions to seek business and co-innovation opportunities with these Corporates

- The Corporate Challenge platform with the problem statements will be launched on **17 Sep**. Further details on the Corporate Challenge platform will be sent to you at a later date.
  - Platform will be open from **17 Sep** until the end of the Corporate Challenge on **5 Nov**

- List of Participating Corporates for SLINGSHOT Corporate Challenge 2021:

AstraZeneca, Aztech, Cargill, Givaudan, Haier smart home, Hyundai, Infosys Navigate your next, Kellogg's, Norinco, Philips, P&G, Rolls-Royce, ST Engineering, Tata Steel, trendlines agrifood innovation centre, Unilever

Corporate Challenge Journey

Enterprise Singapore

17 September	21-23 September	23 September – 5 November	5 November

17 September: Launch of Problem Statement(s)

- Corporate Challenge statements will go live on the Corporate Challenge platform, accessible by you and our Corporate Challenge Partners
- Corporates will be able to zoom in on suitable startups by sector/ tech areas and reach out to you through the platform
- You can also apply to Corporate problem statement(s) of your choice

SLINGSHOT Disrupt (3-Day)

Masterclasses & Panel Sessions

- Attend masterclasses and panel sessions hosted by Corporates

Reverse Pitching Workshops

- Hear pitches by Corporates about their problem statement(s)
- Virtual networking sessions to meet corporates to explore co-innovation opportunities
- **IMPORTANT:** To qualify for the next phase of the competition, you will need to sign up and attend at least 2 reverse pitching workshops

Post-Disrupt Engagements

- You can continue to engage with corporates through our Corporate Challenge Platform. Corporates may reach out to discuss potential solutions to their problem statement(s)

Selection of Corporate Challenge Winners

- Corporates will select startup of their choice to co-innovate with and deliver solutions to their problem statement(s)
- Corporates and the selected startup will be featured on the SLINGSHOT website

Launch of Problem Statements → SLINGSHOT Disrupt → Post-Disrupt → Close of Corporate Challenge

2. Overview of SLINGSHOT Disrupt (21 – 23 September)

Disrupt Overview (21-23 September)

Enterprise Singapore

Objective: Allow SLINGSHOT Top 1,000 Startups to hear **pitches on Corporate problem statements** and to explore **co-innovation opportunities**

Masterclasses & Panel Sessions	• Content sharing by Corporates on industry-focused, innovation-led topics
Workshops	• Corporates to reverse pitch by **highlighting their problem statements** and how this fits in their broader mission or innovation goals. • Startups can engage the corporates on these problem statements to seek clarification on their problem statements
Networking Sessions	• After the reverse pitching workshops, startups can meet with Corporates to identify potential co-innovation opportunities
