Singapore Market Opportunity

TAM
$63.8M

SAM
$46.6M

SOM
$11.5M

Method of calculation:

Total Addressable Market (TAM)

- **Launching in Singapore**
- Bottoms-up approach
- Calculation: number of potential SME (921) and Enterprise (127) customers multiplied by the cost for that particular business size; $2k/mo and $20k/mo respectively

Serviceable Available Market (SAM)

- 76% of enterprises ready for adoption based on survey: 76% of CFOs currently retooling their financial tech stack

Serviceable Obtainable Market (SOM)

- 20% of SAM enterprises and 1/3 of SAM SMEs
