HubSpot for Startups & HubSpot Ventures Help Startups Grow Better

HubSpot for Startups

HubSpot for Startups (HSFS) launched in 2016, and is on a mission to help millions of startups grow better. The program helps startups expand their businesses with a simple, user-friendly, and cost-effective suite of tools, unlocking steep discounting in year 1 of joining, and phasing down as a startup continues to grow. HubSpot's own growth journey as a startup inspired the creation of HSFS.

HubSpot Ventures

HubSpot Ventures supports the startup ecosystem through its direct investment in businesses who share HubSpot's mission and serve the evolving needs of their customers. First launched in 2018 with a $30m fund, and later launched with a $100m fund in 2021, HubSpot Ventures has invested in 36 companies to date.
