This information helps us determine benefit eligibility and program impact, if accepted. Indicate N/A if not applicable.

Your answer

Company Demographic Survey

Unless otherwise indicated, completion of these demographic questions is optional and will not affect your application or participation in the program. We use them only for statistical purposes, to track trends and improve our programs. By answering any of these questions, you are consenting to our processing of that information for such analysis (for example, determining what percentage of respondents identify as a certain). If you do not wish us to process this data, please select "Prefer not to answer" or skip any or all of the demographic questions.

To withdraw your consent for us to process this data at any time, contact accelerator- .
