Time Period (Months)	**0 to 3**	**4 to 9**	**10 to 15**	**16 to 21**	**22 to 27**	**28 to 33**
Product Development Progress						
Design Work	Complete architecture diagrams and the user product journey for the solution	Identify requirements for the IoT & hardware telematics integration	Identify requirements for user on-field pilot implementation	Hardware design improvements	Hardware design improvements and integration	Internationalization of the product to different languages and regions
Prototype / Demo	Complete the development of Essential Requirements on the cloud	Integrate Ambient Systems with existing ERP systems	Integrate Ambient Systems with IoT platforms and telematics solutions	Conduct field pilot study	Full scale implementation	Expand functionality to new use cases
Launch	Identify potential usability requirements for Hong Kong and GBA markets	Conduct unit testing of the prototype solution	Conduct alpha testing with internal users	Conduct beta testing with external users during an on-field pilot	Fix any integration issues identified during testing	Provide ongoing support and maintenance
Business Development Progress						
Activity - Number	**12 Customer Interviews**	**30 Customer Pilot Screening Calls**	**20 qualified customers**	**1 closed deal and 5 in the pipeline / 50+ qualified customers**	**2 clients 4 partners**	**5 clients 5 partners New markets identified**
Activity - Details	Hong Kong market analysis, competitor mapping, and partnership discussions	Strategic partnerships established, initial client engagements	Client acquisition campaigns	Intensive client acquisition, additional partnerships	Optimize client relationships, explore new markets	Global market entry, expanded partnerships
Partners (Co Name & supporting document)	TBD	Partner 1 Current Solution providers that work with our customers	Partner 2 Regulators and various governing bodies in finance	Partner 3 Strategic Growth Partner who can fund and co-develop the solution further	Partner 4 Scalability partner who can help us tap into larger markets more quickly	Partner 5 Capital partners who can help us attract more
